Roses

All Stock Guaranteed True to Name
Dug Fresh from Ground
at Time of Purchase
... Popular and Choice Varieties ...

The following are Washington Grade No. 2, two years old, field grown, not cuttings but heavily rooted, which will bloom freely this summer. This stock is all freshly dug from the earth as delivered to the customer. Not in cartons, waxed or exposed to the air for days before delivery. Buy direct from your nurseryman for best results.

Rose orders accepted now. . Shipment will be made from about December 1 on. Planting time is from December to April excepting when ground is frozen

Owing to the heavy demand on all varieties of rose bushes this season, we advise placing your order now. A 25 per cent deposit will hold your order until proper planting time

Alice Harding—The masterpiece of the great French hybridizer, Mallerin, the best exhibition yellow rose produced. Large bud, golden yellow flaked with carmine. Open bloom pure gold, long stems. Gold Medal of American Rose Society, 1936, \$1.00.
Betty Prior—Improved form of the Else Poulsen. Dark carmine with inside of petal several shades lighter. Very resistant to mildew and diseases. Certificate of Merit, National Rose Society, 1934, \$.75.
Blaze—The only hardy everblooming scarlet climber. Has the vigor, beauty and hardness of Paul's Scarlet Climber. \$1.00.
Better Times—Brilliant cerise, large double, and delicately fragrant. Long strong stems excellent for cutting. Very free bloomer. \$1.00.
Countess Vandal—The rose of roses! Long-pointed bud, shading of coppery bronze suffused with soft gold. \$1.00.
Charlotte Armstrong—Spectrum red to patience pink, beautiful bud and flower. \$1.50.
Eclipse—Awarded prizes in Rome, Paris and other test-gardens. Long, stream-lined bud, rich gold with shading. Gold Medal American Rose Society. \$1.00.
Eternal Youth—Long-pointed buds, beautiful soft pink with yellow base. Very good pink rose. \$1.25.
Gloaming—Fawn-orange bud, open bloom, is a peculiar pink overlaid with salmon. A cut-flower variety which is proved a winner wherever grown. \$1.00.
Mary Hart (Red Talisman)—Striking red sport of the Talisman, maroon-red, open flower, deep velvety blood red with an overglow of amber. \$.85.
Matador—Beautifully scented, large, full rose well formed, scarlet-crimson with darker silky sheen on

reverse side. \$1.00
McGredy's Sunset—Outside of petal, buttercup-yellow tipped orange, inside is chrome yellow flushed scarlet as it opens. Very sun resistant. Certificate of Merit, National Rose Society, 1936. Silver Medal Certificate, City of Portland, 1939. Silver Medal Certificate, American Rose Society, 1939, \$1.25.
McGredy's Triumph—Geranium-red flushed with orange deepening to rich orange at base. (Gold Medal of the N.R.S.; Award of Merit of the Glasgow and West of Scotland Horticultural Society.) \$1.00.
Ruth Alexander—Deep orange, exceptionally long bud. Thrives wonderfully in Northwestern and Puget Sound climate. A real worth while creation. \$1.50.
R.M.S. Queen Mary—Glowing salmon and pure pink with an orange base. Strong vigorous plant delicately perfumed. \$1.25.
Rouge—Beautiful bud of bright scarlet red, strong stems, unfurls to very double blooms. Rich old-rose perfumed. Free flowering. \$.85.
Saturnia—Brilliant cardinal-red, reverse side salmon yellow and copper. Awarded Gold Medal for best new Italian rose, 1933, \$1.00.
Signora—Long bud opening warm burnt sienna to a light mandarine. Tall grower, long stem. \$1.00.
Santa Anita—Perfectly formed slender bud, does not fade in hot weather. Blooms free all season, one of the finest 1941 roses. \$1.50.
Texas Centennial (Red Hoover)—A sport of the Pres. Hoover with all of its wonderful plant qualities. Blood-red toning to cerise-red in center. A striking new red of unusual color. \$.60.

We have a complete stock of window box and annual bedding plants from middle of May to first of June.

Deciduous Flowering Shrubs

These are the hardy flowering shrubs which shed their leaves in the winter months. Some of the types bearing berries retain fruit through the winter months. Much used as fillers in landscape plantings, for their flower in spring, fall and summer, and color in winter months. Planting time is from December to May.

Small quantities by parcel post, larger by express, charges collect. State Sales tax must be added.
